

Temple Beth Sholom

JEWISH CENTER OF LIFE, LEARNING AND CONNECTIONS

February 2017

Dear Community Partner,

Temple Beth Sholom and Rabbi Heidi Cohen are at the center of Jewish life in Tustin. This year we are celebrating both of them at our annual Gala ~ **“L’Chaim, a Musical Tribute Honoring Rabbi Heidi Cohen”**, taking place at Temple Beth Sholom on **Saturday, June 10, 2017**.

This exciting event will bring over 200 community leaders, businesspeople, and congregants together from Southern California to celebrate and raise money for the various programs and services that Temple Beth Sholom provides. In order to provide these amazing programs and services, we look to our community for support. ***Please consider making a donation of an item, service or unique experience for our upcoming Gala auction.*** Your generosity will be prominently displayed in all event materials and publicity.

TBS and its hundreds of members are a spiritual, socially-conscious and growing family that celebrates our Jewish tradition in a warm atmosphere where all members and guests are welcomed. As one of the first congregations in Orange County, Temple Beth Sholom and its members stretch around the county. We provide a variety of youth programs, education and outreach, an inclusive preschool, support to seniors throughout the greater community, a Mitzvah Meals program that provides over 1,000 meals per month to area homeless shelters, an Adopt-a-Social Worker program, and so much more.

Thank you for supporting Temple Beth Sholom and Rabbi Cohen. We hope you can join us on June 10th when we celebrate at this year’s gala ~ **“L’Chaim, A Musical Tribute Honoring Rabbi Heidi Cohen”**. If you have any questions, please do not hesitate to contact me at addy.lerner@pacbell.net.

Thank you for your consideration.

L’Chaim,

Addy Lerner
